

Sant Iscle de Vallalta, February 4<sup>th</sup>, 2026

Dear Supplier,

In order to comply with the requirements established by the ISO 9001 and ISO 14001 standards and to uphold the environmental and quality standards of all our products and services, we hereby inform you that, as a CABLES ESPECIALES DE FIBRA supplier, you will be subject to an annual evaluation based on the products and services delivered.

Suppliers and subcontractors are expected to meet a series of requirements that enable them to respond satisfactorily to CABLES ESPECIALES DE FIBRA and to provide an efficient, timely, and high-quality service, thereby facilitating the work necessary to fulfil our customers' purchase orders.

The evaluation criteria are as follows:

1. Valid ISO 9001 and/or ISO 14001 certifications
2. Proximity to our production facilities
3. Quality performance
4. Service level

Any non-compliance or deviation will be recorded in our information system as an incident or non-conformity, depending on its severity. These records will be taken into consideration during the annual supplier evaluation, regardless of any corrective actions derived from each case.

This evaluation is carried out annually based on the criteria mentioned above. Should the outcome not meet the required standards or fall outside our established performance thresholds, we will contact you accordingly.
